

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SR09043RC

This certificate issued to

Texas Aviation Services
3901 North Main St., Hanger 2 South
Fort Worth, TX, TX 76106-2752

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 29 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number: H9SW

Make: Bell Helicopter Textron

Model: 230

Description of Type Design Change: Installation approval of a Bendix/King KLN 90B Global Positioning System for IFR terminal and enroute operations in accordance with Premier installation drawing C00-14000, Revision B, dated July 28, 1995; ECO 4603, dated August 12, 1995; ECO 4619, dated September 6, 1995; ECO 4625, dated September 18, 1995, or later FAA approved revisions.

Limitations and Conditions: Rotorcraft Flight Manual Supplement (RFMS), dated September 21, 1995, or later RFMS is required. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : June 06, 1995

Date reissued : 4/30/2003; 3/11/2010

Date of issuance : September 21, 1995

Date amended :

By direction of the Administrator
